

# Dental Implants at a General Practice vs a Specialist Centre - What Patients Need to Know

Canonical: <https://directory.smilesolutions.com.au/dental-health-oral-surgery/dental-implants/dental-implants-at-a-general-practice-vs-a-specialist-centre-what-patients-need/>

## **Description:**

If you've lost one or more teeth and you're researching dental implants in Melbourne, you'll quickly notice that implants are now offered by almost every dental practice - from boutique cosmetic st...
